Preamble

The NSSCF has provided Mitchell State School with funds to enable the school to reach a 1 to 1 ratio and create a digitally rich classroom environment to support 21st century learning. Mitchell State School P&C support the expenditure of these funds to participate in the Q3 Rollout of 3G enabled laptops throughout the remainder of 2011.

Endorsement

Mitchell State School P&C endorse the rollout schedule and the take home parental co-contribution that has been outlined to the school community by the school Principal. The take home co-contribution of $90 is supported by the P&C on behalf of the school community and we are confident this process will support improved learning outcomes for our students. As P&C President, I confidently endorse the school planning processes and look forward to a positive partnership between home and school as we approach this unique opportunity to shape the future of learning in our school.
